Description

A contemporary classic, the Fairfax Planter is beautifully proportioned and constructed by hand to our exacting standards. This durable, lightweight fiberglass planter can double as a trash container and offers strength and beauty in generous measures. Finished in a choice of marine grade paints or one of our trademark Fusions, each planter is UV-resistant and scratch resistant for indoor or outdoor use. The piece above is 16"W x 45"H in Matte White, image 2 is also 16"Wx45"H in Copper, 18"W x 32"H Copper in the forefront and Matte Black in the rear. The very last image is left to right 12"W x 26"H Matte Black, 16"W x 30"H Copper, 18"W x 32"H Matte Black and last 16"W x 45"H Copper.
