Description

The Mirage is a modern and modular solution for your multi-stream recycling and trash needs. The two stainless steel containers above are displaying our trash and recycling versions, however, they can be labeled to fit your specific needs. The stainless steel finish is part of our commercial grade Fusion collection and is suitable for exterior use. The Mirage is available in all of our durable 15 finishes and measures 18"Lx12"Wx36"H, typically purchased in pairs as trash and recycle they can be sold individually. The Mirage comes standard with waterproof fiberglass liners with a rolled lip and two handles, liner gallon capacity is approximately 15 gallons.
