## Description

Organic in concept, the Hive is an appealing solution to solve your trash and recycling needs. Multiples beautifully integrate to create a sculptural form that is more art than the utility. The tops are offered in green, blue, grey and the durable weather-resistant symbols can be ordered custom to your needs. Also offered in our 15 standard finishes as well as our durable Fusion finishes designed for high traffic areas.

Left to right:

1. Grouping of 3 in Shiny White (SW) 14"D x 14"B x 34"H (9 gallons) and 14"D x 14"B x 28"H (7 gallons). Shown with color tops blue, grey and green for compost.
2. 18"D x 18"B x 34"H (12 gallons) Matte Black with rain cover and stainless swinging door
3. 18"D x 18"B x 28"H (10 gallons) Matte Black with rain cover and stainless

swinging door

4. Grouping of 3 in Matte Black (MB) 24"D x 24"B x 34"H (28 gallons) and 24"D x 24"B x 28"H (22 gallons). Shown with color tops blue, grey and green for compost.
