## Description

A distinctive standout in any design scheme, the Infinity container offers endless appeal and versatility. Use this assured modern beauty as a trash, ash, ash/trash, recycle, planter or towel container for interior and exterior designs. Available in a wide variety of sizes, the Infinity is among the most-wanted pieces in our collection. It is constructed in durable commercial grade fiberglass and is resistant to UV rays and scratches. All of the containers with exception of the planter include a waterproof fiberglass liner with handles and a rolled lip for bag retention.

Left to right: 24"D x 32"H Trash Copper, 24"D x 32"H Trash Matte Black, 13"D x 22"H Ash Bronze and 18"D x 32"H Trash Bronze.
