Description

The Nomad is a new twist on modular design that makes storage a snap. Each piece will perfectly nest on one another when space is at a premium. A lightweight and tough fiberglass structure, the container is available in our trademark Fusion finish or a multitude of marine grade finishes. Each Fusion piece is carefully constructed by hand and is UV as well as scratch resistant, perfectly suited for outdoor use.

Shown above in Matte White on the left and to the right Copper on the top and Matte Black on the bottom.
