## Description

Warmly modern style without the hard edge, the Waimea Planter comfortably coexists in both contemporary and traditional designs. Offering beauty and brawn, the durable, lightweight, fiberglass construction is both UV and scratchresistant, making it superbly suitable for indoor and outdoor designs. Custom finished, select from fade-resistant marine grade paints or one of our trademark metal Fusions, which develop a unique patina over time. Shown above in the 19"D x 15"H in Copper, 30"D x 20"H Bronze, 30"D x 20"H Matte Black and the last image is also the 30"D x 20"H Matte Black.
